

# Parent/Guardian Involvement Questionnaire

As you know, our classroom community at the Fox Hill School includes the parents and families of our students. We encourage parents and families to be involved in our community and we would like to get some input regarding the role you would like to play in our classroom community. Please share with us the extent of your talents and interests and we will familiarize you with all of the parent involvement possibilities and family activities going on at our school. Thank you in advance for your support and participation!
